Thank you for your letter, received by the Division July 5, 1994, concerning William L. Bown's proposed small mining project located in Sections 20 & 29, T14N, R16W, SLBM, Box Elder County, Utah. Your agency's designated file number is 2800. Status of all roads (pre-existing - improved by the operator, pre-existing - not improved, and new roads constructed by the operator), and the acreage (or length of road and average width) involved with each class.

We will suspend our review and await the amended Notice of Intention. In reply, please reference our file number S/003/025

Sincerely,

Lynn Kunzler
